ETD - YOUR WHOLESALE FOR THE COMPLETE PACKAGE

European Tyre Distributors B.V. (ETD) specializes in the import of tyres and rims for the European market, with the brands LEAO and Security as its flagships. ETD can be your partner in TBR, AGR, OTR, and PCR but also in niche markets such as trailer, industrial and cross-ply tyres. While its core business is tyres, ETD also offers a good selection of accompanying products such as tubes and rims.

ETD furthermore supplies tyre and wheel assemblies for trailers and caravans to major OEMs in Europe. Having been active in this field for many years, ETD has established a high level of expertise and has proven to be a reliable partner for its customers. With Security as a flagship-brand, ETD represents a significant part of the Western-European trailer market. With an extensive range of complete wheels, high quality standards and assembly at its own facility, ETD is a great choice when you are looking for competence, flexibility and reliability.

Due to the well-established partnerships with manufacturers who have an excellent reputation worldwide, ETD can guarantee the quick supply of high quality products straight from Asia or from ETD's 20.000 m² of warehouses near Rotterdam, the Netherlands. ETD listens attentively to its customers' requirements resulting in an extensive and well-proven product range.

Overall, European Tyre Distributors stands for a large range of quality tyres, rims and assemblies, competitive prices and a highly regarded service level.
